behavioral chaos and relativism.

NATURAL LAW: A Brief Introduction and Biblical Defense

Christians believe that we can know God's will or natural law through our conscience, our inherent sense of right and wrong. The Apostle Paul says, "Indeed, when Gentiles, who do not have the [Mosaic] law, do by nature things required by the

based on a close observation of human nature, and based on values intrinsic to human nature that can be deduced and applied independent of positive law (the enacted laws of a state or society). According to natural law theory, all people have inherent rights, conferred not by act of legislation but by "God, nature, or reason."

Natural law - Wikipedia

God may tolerate some natural evil because it is the necessary consequence of a free natural process that makes it possible for freewill creatures to thrive. Scientist-theologian John Polkinghorne suggests that God has created a universe with particular natural laws that make life on earth possible so that humans with
