A New History Of Social

Social history, often called the new social history, is a field of history that looks at the lived experience of the past. In its "golden age" it was a major growth field in the 1960s and 1970s

sciences - Wikipedia

The American social work profession was established in the late 19th century to ensure that immigrants and other vulnerable people gained tools and skills to escape economic and social poverty. The profession of social work helps people in their personal and interpersonal lives in order to achieve social improvement, and pursues social
