Africa And France Postcolonial Cultures

Africa and France reveals how increased control over immigration has changed cultural and social production, especially in theatre, literature, film, and even museum construction. A hatred of foreigners, accompanied by new forms of intolerance and racism, has crept from policy into popular expressions of ideas about the postcolony and ethnic minorities.

Africa and France: Postcolonial Cultures, Migration, and ...

"Africa and France . . . is a tour de force, a thorough analysis in which Thomas examines the French empire, culture, and society as a single unit of analysis. . . . This book is a tremendous contribution and must-read for students of francophone studies, diaspora studies, and postcolonial studies."

Africa and France: Postcolonial Cultures, Migration, and ...

It is precisely this paradoxical relationship between France and her colonial and post-colonial history that forms the central theme of Dominic Thomas's latest book. Africa and France examines the representation of this relationship in the twenty-first century in the light of the geopolitical realignments, immigration patterns, social realities, and cultural developments of recent decades.
