Connected Mathematics Project (CMP) is a full math curriculum for middle-school grades 6-8. It is problem-centered, designed for classroom use, and based on NCTM standards. The program seeks to make connections within mathematics, between mathematics and other subject areas, and to the real world.

CMP 3 Math - MR. MICALLEF'S 6th GRADE CLASSROOM

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and encourage mathematical thinking and communication.
