Cold Reading Unleash Your Psychic Within And Read People ...

A cold reading is a set of techniques used by psychics and mentalists to give the appearance that they know more about someone's life than they actually do. A skilled cold reader will ask someone a question and then skillfully extract information by analyzing their body language and facial expressions in response to the question asked.

8 Cold Reading Techniques Used By Psychics To Trick You

The term 'cold reading' refers to strategies used by mentalists and by fraudulent psychics and mediums to give the impression that they can psychically discern personal information about a client. The reading is 'cold' because it does not depend on any prior knowledge of the client.

opting to have a psychic reading over the phone also has its advantages. On top of having total anonymity, you don't have to worry about the psychic picking up on your body language or appearance (heck, even what type of car you rolled up in), so they have less to go off of.

What is a Cold Psychic Reading? | PsychicCenter

Sadly, cold reading has therefore given genuine Psychics and Mediums a bad name, with some people basing their assumptions on the fact that all Psychics use cold reading techniques. 'Warm reading' is a method used by Psychics and Mediums who claim to be genuine, practising techniques that start with a vague idea, using cold reading techniques to enhance or expand the reading.
