Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Rated 1 out of 5 by frustrated from Plastic handle Bought this microwave about a year and a half ago, and the handle has broken three times. Customer service tries every time to say that the handle is "cosmetic" and not covered by warranty. Takes about a month and a half to be fixed each time between when someone comes to verify that it's broken, and then parts are ordered, and then it ...
