Morimoto lighting was established in 2008 to fill the gap in the aftermarket for truly high quality automotive lighting products. Without the budget of a major automaker to back R&D and production, individual consumers could either salvage original equipment components, or be forced to settle for inferior aftermarket parts.

Morimoto: LED & HID Headlights, Projectors, Ballasts, and ...

Start by selecting your vehicle or searching by part number. The part number can usually be found on the bulb. Select the position of the bulb on the vehicle. Make sure you have the right product by selecting your vehicle note (if needed). Select a Brand to view product info.

Bulb Replacement Guide - | SYLVANIA Automotive

What it means: This warning light means that there is low oil pressure in your car's engine. If you notice this warning light on your car, you should turn off your car's engine as fast as possible. Low oil pressure can cause serious damage to your engine, and you may have to do a whole engine replacement.

19 Common Car Dashboard Warning Lights & Symbols - Meanings

Most driving lights will come in a kit of two lights, fitting hardware, and a wiring loom. Halogen lights are the cheapest and can cost between \$50 and \$500 for a kit. LEDs will be more expensive...
