### University of Missouri-St. Louis

In all of her fiction, Toni Morrison (February 18, 1931- August 06, 2019) explored the conflict between society and the individual. She showed how the individual who defies social pressures can forge a self by drawing on the resources of the natural world, on a sense of continuity within the family and within the history of a people, and on dreams and other unaccountable sources of psychic power.
